Response to Arguments

Applicant's arguments filed September 22, 2005 have been fully considered and are persuasive. The rejection of claims 1 and 5 has been withdrawn.

Allowable Subject Matter

The following is an examiner's statement of reasons for allowance:

Each of said clamps being attached to the bracket and extending upwardly away therefrom, each of the clamps including an actuator for selectively opening or closing the clamps, each of the clamps are closed when actuators are in a downward position located generally adjacent to the bracket and open when the actuators are spaced away from the brackets, each of the clamps being selectively coupled to the floor rail in combination with the other elements recited not anticipated by the prior art, nor would it have been obvious to a person of ordinary skill in this art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
